MADISON**

## **2017 Annual Security Report**

Each year prior to October 1, the Institute of Beauty and Wellness prepares an annual security report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. The Clery Act (originally known as the Crime Awareness and Campus Security Act), signed in 1990, requires all colleges and universities that participate in federal financial aid programs to keep and disclose information about crime on and near their respective campuses.

The 2017 Annual Security Report includes institutional policies concerning campus security, emergency response and evacuation, drug and alcohol, sexual violence, and anti-harassment and discrimination.

The report includes statistics for the previous three calendar years – 2014 to 2016 – on reported crimes that occurred on-campus, which encompasses the first and second floor of 353 East Campus Mall, Madison, WI 53715.

The Admissions Department will notify prospective students where to obtain this report. All prospective staff members may obtain a copy of this report from the Human Resources Department. Each year, the school will e-mail enrolled students and staff, the web site address to access this report. During the review of the Student Handbook (usually on the first day of a student's program), students are provided with information regarding access to this report. This report is found on the school's website at [www.avedainstitutemadison.com](http://www.avedainstitutemadison.com). A printed copy of the report can be found in the school's student break room, and requested by calling the Admissions Department at 608.250.3100 or by e-mail to [admissions@aimadison.com](mailto:admissions@aimadison.com)

## Campus Security Policy

To provide a safe and secure environment for students, staff and guests, Aveda Institute Madison has adopted the following procedures.

1. Campus programs which inform students and staff about being responsible for their own safety and the security of others include:
  - a. Emergency procedures presented during orientation
  - b. Student Handbook is reviewed
  - c. Emergency procedures presented during student assemblies
  
2. Only certain staff members are authorized to have keys to the building. Students and staff utilize a key card for a locked entrance. Access to the building is only given to students during their normal class time. Any students seeking access outside their normal class time must have prior authorization from a staff member. Alarm systems, outdoor lighting, security cameras, and telephones are integral parts of the campus security system. Facility security issues should be reported to a staff member immediately.
  
3. Aveda Institute Madison encourages students and staff to be responsible for their own security and security of others. If someone has concerns about walking from the building to their car after dark, he/she should walk in a group or request that a staff member provide escort service to walk you to your car.
  
3. Upon observing or involvement in any type of crime, or if there is an emergency occurring on the campus of Aveda Institute Madison, it should be reported immediately to a staff member. If a student wants to report a crime on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics, contact the school's Assistant to the Director, 414-319-7572. For off campus, you may contact the Madison Police Department at f 608-266-4316 for non-emergencies. You should always dial 9-1-1 for emergency situations.
  
4. All incidents will be investigated by the school's Assistant to the Director, Kari Kennedy, Director of Operations, Bonnie Zeutzius, and/or Owner, Susan Haise. Although, Aveda Institute Madison does not have a police or security department, it does refer violations of the law to law enforcement agencies.
  
5. In addition to this report, Aveda Institute Madison will provide a timely warning to students and staff of any occurrences of the following crimes that are reported to local police agencies and are considered to represent a serious or continuing threat to students and staff. Please note: Aveda Institute Madison is not required to provide timely warnings with respect to crimes reported to a pastoral or professional counselor. As soon as Aveda Institute Madison becomes aware of the crimes, students and staff will be notified through e-mail, the posting of flyers, in-class announcements, or other appropriate means. These crimes include: criminal homicide, forcible and non-forcible sex offences, robbery, aggravated assault, burglary, motor vehicle theft, arson, hate crimes including crimes involving bodily injury reported to local police agencies that show evidence of prejudice based on race, gender, religion, sexual orientation, ethnicity or disability, arrests for violations of liquor and drug law violations and illegal weapons possession, and persons not arrested but referred for disciplinary action for liquor, drug, and weapons law violations.
  
6. Aveda Institute Madison does not have on-campus or off-campus student housing facilities.

## **Emergency Response and Evacuation Procedures**

Aveda Institute Madison will, without delay, and taking into account the safety of the community, determine the content of an emergency notification and initiate the campus emergency notification system, unless such notification will, in the professional judgment of campus security authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate an emergency.

### **IN CASE OF AN EMERGENCY**

The school has implemented a comprehensive All Hazards Plan that includes warnings and notifications. This institution warning and notification system incorporates three methods:

1. Aveda Institute Madison maintains a telephone system that covers the entire campus. In an emergency this system will be activated, followed by voice messages giving instructions on what actions to take.
2. In an emergency, Aveda Institute Madison will notify students and guests about school closures and cancellations.
3. Information about emergencies at Aveda Institute Madison is disseminated to a larger community by the school's Administrative Director or Director of Operations using the school's phone line and local news.

### **EMERGENCY (MEDICAL)**

Notify staff immediately, who will call 911, in case of a medical emergency such as:

- Serious fall
- Apparent heart attack
- Unconsciousness
- Chemical product; (spills in the eye or swallowing)

The staff must provide the following information:

- Nature of medical problem
- Address of the building; and
- Location of the person in the building

The staff should:

- Notify the administrative personnel of the location and nature of the accident;
- Stay with the injured person; (or bring to Emergency)
- Have someone meet the emergency personnel; and
- Keep the area clear of bystanders

Students must assist in documenting the incident and forwarding the paperwork to the Administrative Director.

### **FIRE**

The Institute has fire alarms located throughout the facility. If you report a fire, notify staff immediately and 911 will be called for assistance.

In all cases when the fire alarm sounds, students and staff *must*:

- Evacuate the building immediately
- Instruct all clients to evacuate the building

- Assist the clients who need help evacuating
- Request assistance for disabled clients to evacuate
- Walk to the far end of the parking lot or across the street in the parking lot
- Re-enter the building only when clearance has been given by the fire department or administration

Please see the posted fire exits for the nearest exit.

## **TORNADO WARNINGS**

Whenever there is a danger of tornado touchdown, the tornado warning sirens for Madison area will sound. Based on weather-service information the administration will make a decision on when to evacuate staff, students, and clients to the lower level of the building.

Please see the nearest posted sign if a tornado occurs for the safest rooms to go to. Students should move to the nearest internal room without windows, crouch down against the wall and cover their heads/neck with their hands.

## **Drug and Alcohol Policy**

It is the policy of the Institute of Beauty and Wellness and Aveda Institute Madison to prohibit the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance (drugs) in or on the school's owned or controlled property. The possession, use and sale of alcoholic beverages on the campus is governed by our institutional policies, as well as, Wisconsin state law and federal law. It is unlawful to sell, furnish, or provide alcohol to a person under the age of 21, and it is unlawful for a person under age to misrepresent his or her age in order to obtain alcohol. Violators are subject to institute disciplinary action (up to and including expulsion and termination of employment), criminal prosecution, fine, and imprisonment.

### **Health risks associated with the use and abuse of alcohol and illicit drugs**

Alcohol consumption causes a number of marked changes in behavior. Even low doses of alcohol significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. The use of even small amounts of alcohol by a pregnant woman can damage the fetus. Low to moderate doses of alcohol also increases the likelihood of a variety of aggressive acts.

Moderate to high doses of alcohol cause marked impairment in higher mental functions, severely altering a person's ability to learn and remember information. Heavy use may result in chronic depression and suicide, and may also be associated with the abuse of other drugs. Very high doses can cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce effects described above for very high doses. Long-term, heavy alcohol use can cause digestive disorders, cirrhosis of the liver, circulatory system disorders and impairment of the central nervous system, all of which may lead to early death.

Repeated use of alcohol can lead to dependence, some heavy users eventually will become problem drinkers or alcoholics if they continue drinking. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations and convulsions, which can be life-threatening. The use of illegal drugs, and the misuse of prescription and other drugs, poses a serious threat to health. For example, the use of marijuana (cannabis) may cause impairment of short-term memory, comprehension, and ability to perform tasks requiring concentration.

The use of marijuana also may cause lung damage, paranoia and possible psychosis. The use of narcotics, depressants, stimulants and hallucinogens may cause nervous system disorders and possible death as the result of an overdose. Illicit inhalants can cause liver damage.

There are significant risks associated with the use of alcohol and drugs. These risks include impaired academic or work performance; lost potential; financial problems; poor concentration; blackouts; conflicts with friends and others; vandalism, theft and murder, sexual assault and other unplanned sexual relationships; spouse and child abuse; sexually transmitted diseases; and unusual or inappropriate risk-taking which may result in physical or emotional injury or death.

If you feel that you have an alcohol or drug problem, you may find help from the following alcohol and drug abuse counseling and support services:

## **Sexual Violence Policy**

On March 7, 2013, President Obama signed the Violence Against Women Reauthorization ACT of 2013 (VAWA) (Pub. Law 113-4), which, among other provisions, amended the Clery Act to require institutions to compile and disclose statistics for incidents of domestic violence, dating violence, sexual assault, and stalking and to include certain policies, procedures, and programs pertaining to these incidents in this report. The U.S. Department of Education published final regulations to implement the VAWA changes on October 20, 2014. Those final regulations have been effective since July 1, 2015.

The Institute of Beauty and Wellness and Aveda Institute Madison do not discriminate on the basis of sex in its educational programs and does not tolerate sexual harassment or sexual violence, which is a type of sex discrimination. Other acts can also be forms of sex-based discrimination and are also prohibited whether gender based or not and include dating violence, domestic violence, and stalking. The Institute of Beauty and Wellness and Aveda Institute Madison prohibits the offenses of domestic violence, dating violence, sexual assault and stalking and reaffirms its commitment to maintain a safe school environment. The Institute of Beauty and Wellness and Aveda Institute Madison encourages bystanders to call 911 immediately if they are witness to a risk of domestic violence, dating violence, sexual assault, or stalking against another person.

### **Sexual Harassment**

The Institute of Beauty and Wellness and Aveda Institute Madison will not tolerate any form of sexual harassment. Sexual harassment is any conduct of "sexual" nature that interferes or may interfere with another person's learning or work performance or creates or may create an intimidating, hostile or offensive work environment. Specifically, sexual harassment is a form of misconduct, which is demeaning to another person and undermines the integrity of the learning environment or employment relationship.

For example, unwelcome physical contact, foul language, sexually oriented propositions, jokes or remarks, obscene gestures, or the display of sexually explicit pictures, cartoons, or other materials may be considered offensive to another student/employee and thus, should not occur. Consistent with this policy, students conduct, whether intentional or unintentional, that results in the harassment of other students or employees because of their sex, is illegal. It will not be tolerated and should be reported immediately to the administrative director.

Any student who believes that he or she has been sexually harassed should immediately report the matter to the Administrative Director. All other students have an obligation to report any instances of sexual harassment and to cooperate in a subsequent investigation. Anyone who fails to report inappropriate conduct which covers up another person's conduct or refuses to participate in an investigation is equally at fault and may be subject to discipline up to and including discharge from the program.

## Definitions

Sexual Harassment is defined as unwelcome conduct of a sexual nature. It includes unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature. Sexual harassment is conduct that explicitly or implicitly affects a person's employment or education or interferes with a person's work or educational performance or creates an environment such that a reasonable person would find the conduct intimidating, hostile or offensive.

Sexual Violence is defined as physical sexual acts engaged in without the consent of the other person or when the other person is unable to consent to the activity. Sexual violence includes sexual assault, rape, battery, and sexual coercion; domestic violence; dating violence; and stalking.

Domestic Violence is defined as abuse committed against an adult or a minor who is a spouse or former spouse, cohabitant or former cohabitant, or someone with whom the abuser has a child, has an existing dating or engagement relationship, or has had a former dating or engagement relationship.

Dating Violence is defined as abuse committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.

Sexual Assault occurs when a physical sexual activity is engaged in without the consent of the other person or when the other person is unable to consent to the activity. The activity or conduct may include physical force, violence, threat, or intimidation, ignoring the objections of the other person, causing the other person's intoxication or incapacitation through the use of drugs or alcohol, and taking advantage of the other person's incapacitation (including voluntary intoxication).

Stalking is behavior in which a person repeatedly engages in conduct directed at a specific person that places that person in reasonable fear of his or her safety or the safety of others.

Consent is informed, voluntary and revocable. Consent is an affirmative, unambiguous, and conscious decision by each participant to engage in mutually agreed-upon sexual activity. It must be given without coercion, force, threats or intimidation. Consent must be ongoing throughout a sexual encounter and can be revoked at any time. Once consent is withdrawn, the sexual activity must stop immediately.

## Prohibited Conduct

This policy strictly prohibits sexual or other unlawful harassment or discrimination as well as sexual violence, as defined above. Sexual or other unlawful harassment or discrimination includes any verbal, physical or visual conduct based on sex, race, age, national origin, disability or any other legally protected basis if:

- i. **submission to such conduct is made either explicitly or implicitly a term or condition of an individual's education or employment;**
- ii. **submission to or rejection of such conduct by an individual is used as a basis for decisions concerning that individual's education or employment; or**
- iii. **it creates a hostile or offensive work environment, which means the alleged conduct is sufficiently serious to limit or deny a student's or ability to participate or benefit from the student's education program.**

Unlawful harassment or discrimination may include racial epithets, slurs and derogatory remarks, stereotypes, jokes, posters or cartoons based on race, national origin, age, disability, marital status or other legally protected categories.

Sexual harassment is conduct based on sex, whether directed towards a person of the opposite or same sex, and may include explicit sexual propositions, sexual innuendo, suggestive comments, sexually oriented "kidding" or "teasing", practical jokes, jokes about or displays of obscene printed or visual material, questions about sexual fantasies, preferences or history, and physical contact such as patting, pinching, or intentionally brushing against another person's body. Gender-based harassment, including acts of verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping are strictly prohibited, even if those acts do not involve conduct of a sexual nature.

### **Complaint/Grievance Procedure**

If you believe that you have experienced or witnessed harassment or sexual violence, notify your instructor, supervisor, Human Resources, or the Title IX Coordinator as soon as possible after the incident. Do not allow an inappropriate situation to continue by not reporting it, regardless of who is creating the situation. No employee, contract worker, student, vendor or other person who does business with The Institute of Beauty and Wellness and Aveda Institute Madison is exempt from the prohibitions in this policy. Supervisors will refer all harassment complaints to the Title IX Coordinator for student-related complaints and to the Human Resources Department if the complaint involves an employee. In order to facilitate the investigation, your complaint should include details of the incident or incidents, names of the individuals involved and names of any witnesses.

All complaints involving a student will be referred to the campus's Title IX Coordinator. The Title IX Coordinator is listed below and has the responsibility of overseeing all Title IX complaints and identifying and addressing any patterns or systemic problems that arise during the review of such complaints.

*Title IX Coordinator for The Institute of Beauty and Wellness and Aveda Institute Madison:*

In response to all complaints, The Institute of Beauty and Wellness and Aveda Institute Madison promises prompt and equitable resolution through a reliable and impartial investigation of complaints, including the opportunity for both parties to present witnesses or other evidence. The time necessary to conduct an investigation will vary based on complexity but will generally be completed within sixty (60) days of receipt of the complaint. The Institute of Beauty and Wellness and Aveda Institute Madison shall maintain confidentiality for all parties to the extent possible, but absolute confidentiality cannot be guaranteed. In cases where a student does not give consent for an investigation, The Institute of Beauty and Wellness and Aveda Institute Madison will weigh the student's request for confidentiality against the impact on The Institute of Beauty and Wellness and Aveda Institute Madison safety to determine whether an investigation must proceed. Complainants should be aware that in a formal investigation due process generally

requires that the identity of the charging party and the substance of the complaint be revealed to the person charged with the alleged harassment. The preponderance of the evidence standard will apply to investigations, meaning The Institute of Beauty and Wellness and Aveda Institute Madison will evaluate whether it is more likely than not that the alleged conduct occurred. Both parties will receive written notice of the outcome of the complaint.

During the investigation, The Institute of Beauty and Wellness and Aveda Institute Madison will provide interim measures, as necessary, to protect the safety and wellbeing of students and/or employees involved.

If The Institute of Beauty and Wellness and Aveda Institute Madison determine that unlawful harassment or sexual violence has occurred, immediate appropriate corrective action will be taken in accordance with the circumstances involved, and The Institute of Beauty and Wellness and Aveda Institute Madison will take steps to prevent the recurrence of any harassment or discrimination. Any employee determined by The Institute of Beauty and Wellness and Aveda Institute Madison to be responsible for unlawful harassment or discrimination will be subject to appropriate disciplinary action, up to and including termination. Remedies for student-related claims may include, but are not limited to, an order to stay away, suspension or expulsion.

To initiate a criminal investigation, reports of sexual violence should be made to "911" or local law enforcement. The criminal process is separate from The Institute of Beauty and Wellness and Aveda Institute Madison's disciplinary process. To the extent that an employee or contract worker is not satisfied with the College's handling of a harassment or discrimination complaint, he or she may also contact the appropriate state or federal enforcement agency for legal relief.

### **Retaliation Prohibited**

The Institute of Beauty and Wellness and Aveda Institute Madison will not retaliate against you for filing a complaint, and will not tolerate retaliation by students or employees. If you believe you have been retaliated against, you should promptly notify your supervisor, Human Resources or the Title IX Coordinator.

### **Reporting Requirements**

Victims of sexual misconduct should be aware that The Institute of Beauty and Wellness and Aveda Institute Madison administrators must issue timely warnings for incidents reported to them that pose a substantial threat of bodily harm or danger to other members of the campus community. The Institute of Beauty and Wellness and Aveda Institute Madison will make every effort to ensure that a victim's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the danger.
